LECTURE SERIES 2018

Singapore's Marina Bay - The creation of an Urban Precinct

Lecture by Mr. Sandip K. T., Founder & CCO, Foundation Communications, Singapore

Mr. Sandip K T is the founder and Chief Creative Officer at Foundation Communications, Singapore, a unique real estate consultancy that assists developers and planners with branding, positioning and marketing of real estate projects and precincts. He is a multiple award winning professional with over two decades of experience in partnering leading developers and government departments across the Asia-Pacific region. His experience covers Precinct Branding, Project Branding and Residential Marketing in addition to the Retail, Commercial and Hospitality sectors. He set up, together with his partners, Foundation Communications in 2009 to specifically cater to the needs of Government Agencies and real estate developers.

Smart City Mission and Vision for Delhi 2041

Lecture by Prof. Jagan Shah, Director NIUA, New Delhi

Prof. Jagan Shah has 20 years of professional work experience in various aspects of urban development in India. He studied Architectural Design from School of Planning & Architecture (SPA), New Delhi and Architectural History & Theory from the University of Cincinnati and Columbia University, USA. He has served as the Director of Sushant School of Architecture, Gurgaon and has taught at the School of Planning & Architecture (SPA) from 1998 till 2006. From 2007 to 2010, he was the Chief Executive of Urban Space Consultants, providing consultancy in policy formulation, spatial planning, heritage conservation, transportation and livelihoods development, for various clients. He has a comprehensive list of publications to his name. He is the author of 'Contemporary Indian Architecture', 2008; co-author of 'Building Beyond Borders', 1995, and co-editor of 'Round', a collection of seminal Asian texts on architecture. He is also a founding member of the Modern Asian Architecture Network (MAAN).
